

# ANTI-BACTERIAL DISINFECTANT HAND WASH

100 ml

250 ml

500 ml

500 ml (long nose)

**No Chemicals - No Alcohol - No Triclosan**

**Gentle on the skin while being highly effective**

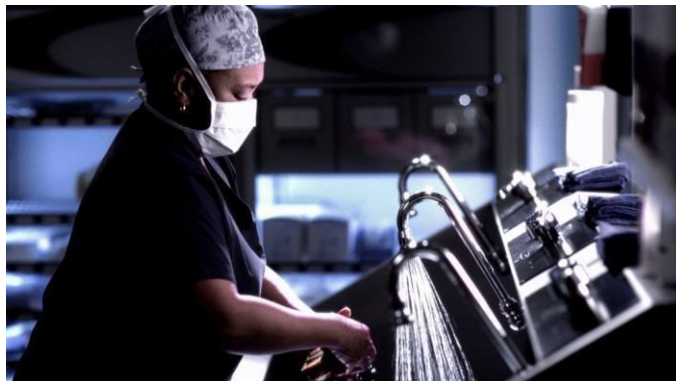

Our hands touch numerous items and surfaces continually throughout the day and the risk of acquiring various illnesses due to this contact from our hands is a constant risk.

Regular washing of hands has been proven to greatly reduce the risk of illness.

The Anti-Bacterial Disinfectant Hand Wash is a very effective, natural product that has been independently tested by an independent MCC (Medicines Control Council) accredited testing laboratory to eliminate 99.9% of all known bacteria including the following “Superbugs” on contact:

- *MRSA (Methicillin-Resistant Staphylococcus Aureus)*
- *E-Coli*
- *Pseudomonas Aeruginosa*
- *Staphylococcus Aureus*

Applications: Disinfect hands and/or gloves

As the product is **NOT alcohol based** it will not caused rashes or raw skin – **highly effective and gentle !**
