

ANTI-BACTERIAL DISINFECTANT WATERLESS HAND SANITIZER

100 ml

250 ml

500 ml

500 ml (long nose)

No Chemicals - No Alcohol - No Triclosan

Gentle on the skin while being highly effective

Our hands touch numerous items and surfaces continually throughout the day and the risk of acquiring various illnesses due to contact from our hands is a constant risk.

Regular washing of hands has been proven to greatly reduce the risk of illness and infection.

The Anti-Bacterial Disinfectant Waterless Hand Sanitizer is a very effective, natural product that has been independently tested by an independent MCC (Medicines Control Council) accredited testing laboratory to eliminate 99.9% of all known bacteria including the following “Superbugs” on contact:

- *MRSA (Methicillin-Resistant Staphylococcus Aureus)*
- *E-Coli*
- *Pseudomonas Aeruginosa*
- *Staphylococcus Aureus*

Applications: Disinfect hands and/or gloves

Drought Friendly Water Saver !!

As the product is **NOT alcohol based** it will not cause rashes or raw skin – **highly effective and gentle !**
