

LICE KIT (for Hair)

Contents:

Shampoo 150 ml + Conditioner 150 ml

Product does NOT contain chemicals (e.g.: Lindane or Malathion) or Alcohol

Gentle to hair shaft yet highly effective

No restrictions on frequency of use of product

The shampoo and conditioner is a reactive solution once the hair is already infested.

For a preventative measure use Proguard Natura Lice Repellent Spray on hair and in caps etc.

The shampoo can be utilized as a body wash for eradication of pubic lice, bed bugs and scabies.
